Ви берете активну участь у багатьох проектах українських громадських організацій Канади, зокрема на своєму рівні допомагали та допомагаєте у просуванні визнання в Канаді та в канадських провінціях Голодомору 1932-1933 років геноцидом Українського народу, у наданні допомоги тим, хто її потребує в Україні, а також у збереженні національної та культурної ідентичності українців в Канаді.

Особливо приємно відзначити, що цього року під час Зимових Олімпійських ігор, що проходять у Ванкувері, більшість із волонтерів, які допомагають у роботі українській Олімпійській та Параолімпійській збірним, є представниками канадської молоді українського походження.

Premier of Alberta

Message from Honourable Ed Stelmach Premier of Alberta

On behalf of the Government of Alberta, it gives me great pleasure to welcome everyone attending the 52nd National Congress of the Ukrainian Canadian Students' Union.

The 2010 SUSK Congress is the first to be held in Western Canada in over a decade, and I am proud that you have chosen Alberta's capital city as the site for three days of business and pleasure. More than 100 delegates from across Canada and abroad are expected to attend and work toward a coordinated vision for local Ukrainian student organizations and their relationships with the greater community. Attendees will also have the opportunity to attend professional development seminars, and the weekend will be highlighted by a banquet and the election of a new National Executive. Your

dedication to these important issues and your ongoing commitment to addressing the concerns of Ukrainian students across the country is appreciated.

Special thanks to all of the organizers who made this event possible. Best wishes for an enjoyable stay in Edmonton and a successful National Congress.

Ed Stelmach

Привіт від Союзу Українських Студентських Товариств Америки

*Дорогі Президіє та члени
Союзу Українських Студентів Канади!*

Союз Українських Студентських Товариств Америки (СУСТА) щиро вітає Вас з нагоди 52-го Національного Конгресу Вашої організації! Бажаємо приємно провести час у Канадських Карпатах Альберти, а також плідно попрацювати для добра СУСК, українських студентів та українства загалом.

Бажаємо подальшого процвітання та успіхів у Вашій праці на користь української освіти і науки. Освіта є дуже важливим питанням для України та її студентів, як у її межах, так і за її кордонами. Ми віримо, що майбутнє України і світу загалом залежить від здатності забезпечити відповідну всебічну освіту, яка допоможе виховати незалежних, критично думачих мислителів та провідників у різних сферах життя. Така освіта є центральною для

розвитку глибокої поваги до інтелектуальної майстерності та теоретично обґрунтованої практики, а також для здатності майбутніх провідників розуміти контекст і довготривалі наслідки своїх дій.

Від імені СУСТА ми сподіваємося на плідну співпрацю між нашими організаціями, на зміцнення зв'язків між управами та членами наших організацій для обміну досвідом та інформацією, а також для нав'язання особистих контактів.

З цією метою прийміть наше запрошення на чергову щорічну конференцію СУСТА, яка відбудеться у 20-21 березня 2010 року у Бостоні і темою якої є «Українська молодь та освіта». Попередня програма конференції вже узгоджена і незабаром з'явиться вебсайт, де можна буде знайти більше деталей і зареєструватися. Щиро сподіваємось на Вашу широку участь у нашій конференції і будемо з радістю чекати на зустріч.

University of Guelph Ukrainian Students' Club

For this year, we decided to organize ourselves differently. We don't have a president and every member of our club contributes to event planning and as part of the exec. We thought this would create a better turnout to events and so far, it has. Our best yearly events include One World Multicultural show held campus wide. Members of the Ukrainian Club usually perform a choreographed dance to the rest of the university. This year we painted the cannon which is a cannon that sits in the center of campus. we painted it blue and yellow and wrote our club name on it. We then hung out for the rest of the evening by the cannon singing Ukrainian songs and playing guitar, trying to catch the attention of any Ukrainians on campus that hadn't yet joined the club. An interesting event we held this year was a speaker panel on the political situation in Ukraine, hosted alongside the Eastern European Students' Club at UofG. As for the future, our main goal is to continue expanding our club and that means catering to events that our members are interested in. So far term two is going to have: Kolyada, the One World Multicultural show, pyrohy making night, at-

tendance at the McMaster Volleyball tournament, and pysanky making.

The University of Western Ontario Ukrainian Students' Club

The University of Western Ontario is located in London, Ontario. Since the 1970s it has been home to the UWO Ukrainian Students' Club. As a club our mandate is to organize and represent Ukrainian students not only to the community of University of Western Ontario, but also to the city of London. Each year begins with a social in which the club can get to know the executives and each other. Our traditional Perogie (varenyky) Nights are a perennial success. Members are taught how to make perogies from scratch and then they get to devour their creations. Another event that was held this year, and will be held all the upcoming years, was Kolyada. The London Ukrainian community was thrilled to have their houses blessed with traditional Ukrainian Christmas caroling. An event in the making for the future years is a student Malanka hosted by the club. With the help of the London's Ukrainian community our goal will hopefully be attained by the next year.

More details on the UWO Ukrainian Students' Club can be found on Facebook.

The Ukrainian Students' Club at the University of Toronto

The USC at U of T has a proud tradition going back from 1943. Our club hosts a variety of both perennial favourites and one-time events. We kick the year off with a First General Meeting, at which we welcome new members, introduce the exec and the year's plans, break the ice, then go for a night out. October's Halloween pub nights are very popular, and probably the best way to show off your costume - there are always prizes, after all.

Again this year we held our Art Show during the city-wide Nuit Blanche, in partnership with our colleagues at the Ontario College of Arts and Design (OCAD) and St. Vladimir's Institute. Our Pre-Malanka Pub Night is a yearly success, our annual career night with the Ukrainian Professional and Business Association is always a great time to network, and our year-end events are a great way to end the school year on a high note. Our club's home for the past couple of years has been an office very generously maintained by the St. Vladimir's Institute, which is also the site of our meetings.

The 2009-2010 president is Christine Turenko, and Nadia Gereliouk is the vice president. We can be reached at uscuoft@gmail.com, or visit us online at www.ukiestudents.com or on Facebook.

McMaster Ukrainian Students Association

MUSA or the McMaster Ukrainian Students Association is one the most dynamic and popular clubs at McMaster University. Located in Hamilton Ontario, our club hosts a plethora of both small and large scale events through-out the school year. At the beginning of the year, we set up a display at McMaster's ClubsFest, to promote and attract new members who are just as proud as we are to be Ukrainian. At our First General Meeting we welcome all members and introduce the executive as well as the events and activities planned for the upcoming year. We proceed with a little "break the ice" activity to ease everyone in and establish a sense of unity, which is accompanied by snacks and refreshments. Each month we hold 2-3 events to keep up the energy and spirit; we hold a Taras Bulba Night where we gather to watch the great kozak movie and live up to our heritage by dressing up in traditional attire. To commemorate our home country's tragic past, we hold a 33-hour Famine in honour of the Holodomor; candles are lit and a display is set up in our Student Centre to inform others about the tragedy. In the New Year, our executive and members go out for Kolyada to the local Ukrainian residents in the community. During the second term, we host our annual and most favoured event, the MUSA Volleyball Tournament; where we invite teams from all over to come for a weekend of fun and dancing at the zabava that follows. We hold executive meetings every week to keep up to date with all our plans and activities. This year's president is Christina "Iron Fist" Bajus,

and our vice-president is Michael “The Hammer” Hrycak.

We can be reached at ukrain@mcmaster.ca, or visit us online at macmmusa.com or through our MUSA Facebook page.

Ukrainian Students’ Club at York University

For the last four years, The Ukrainian Students’ Club has been a voice for Ukrainian students at York University. Membership in our organization is open to all York students. Currently, our members represent various waves of Ukrainian immigration to Canada as well as many other cultures and ethnicities. We organize events tailored to help members connect with other students, develop skills by participating in the planning of events/activities and gain knowledge about Ukrainian traditions and culture. Most importantly we offer an opportunity to make friends and have fun during the University segment of our member’s lives. The work we do here at York University would not be possible without the strong financial support of our sponsors. We would like to thank the Chair of Ukrainian Studies Foundation, the Ukrainian Credit Union, Buduchnist Credit Union and SO-USE Credit Union for their generous contributions this year.

For more information about our events or if you are interested in learning more about our organization please visit our website www.uscyork.ca or contact us at info@uscyork.ca

The University of Calgary Ukrainian Students’ Society

The University of Calgary Ukrainian Students’ Society was re-established in March of 2008. This marked the end of nearly a decade of inactivity at the University of Calgary. In just two short years the club’s membership has greatly increased, with a current count of nearly 60 members. The club has held numerous events on and off campus. Such events have included our extremely popular varenyky eating competition, soccer matches against the Polish Students Club, Holodomor awareness day and pysanka writing. This year the club also held a joint “Fun Night” event with the Ukrainian Canadian Professional and Business Association of Calgary. Future events planned for this year include a Ukrainian Cuisine night, Ukrainian Karaoke and a Durak card game tournament. This year’s club executive includes, President - Andriy Butynets, Vice-president – Ann Zalucky, Treasurer – Mark Zalucky, Secretary – Roman Storoshchuk and Members at large – Tatiana Koszarycz and Natalka Lewis. The club continues to grow and prosper as time goes on. It is the hope of all involved that the club will remain a strong and vibrant presence on the U of C campus for years to come!

Ukrainian Students' Society at the University of Alberta

Рік за роком, кроком за кроком – Українська студентська спілка при Альбертському університеті стає більш зрілою та видатнішою організацією на кампусі через своїх успішних заходів.

Since 1954, the Ukrainian Students' Society at the University of Alberta has endeavored to uphold and promote Ukrainian culture by networking with other students groups, Ukrainian community organizations, businesses, and members. This allows us to inform our members about issues and events relevant to them as students with a Ukrainian background. With political, zabava, and student life events, our membership experiences campus life with a Ukrainian twist, and this year was no exception.

As always, cultural and commemorative events were just as important as social events for our members. This year, our Holodomor Awareness Week consisted of a blitz Holodomor recognition campaign (Including a huge pile of grain left in the middle of campus)

This year we also hosted a very successful 2nd Annual UA at the U of A: Ukrainian Week event.

A week's worth of events was held on campus – everything from a Pints and Politics talk about the upcoming Ukrainian Presidential Elections with Jars Balan, to a movie night “Battling with Bulba” raised awareness about our organization on campus and all things Ukrainian. The week was capped off with a Zaporozhian Zabava featuring the music of “Zrada” from Winnipeg, Manitoba. We are grateful for generous support from the Students' Union, Office of the Dean of Students, and the Taras Shevchenko Foundation.

In addition to our events, USS was able to acquire office space within the Canadian Institute of Ukrainian Studies on campus, and had our office grand opening at the beginning of the year. We are very thankful to CIUS for their generous support of our organization with their invaluable contribution. We are also a proud member of the Ukrainian Canadian Students' Union (CYCK), connecting our members with hundreds of Ukrainian Students across Canada. This year the USS was chosen as host organization to plan the 52nd National CYCK Congress (Feb.12-14.10). More details are found on their website, susk.ca.

The USS has had another successful year, and continues to grow as a campus organization. As always, we welcome any support from the community – both financial or by the donation of resources. We look forward to many more successful years ahead!

Concordia Ukrainian Students' Union

CUSU in Montreal has had a fantastic year with amazing activities! It also works very closely with the McGill Ukrainian Students' Association (MUSA) and the French-language university U de M (University of Montreal) which is in process of renewing their club. Meetings are held jointly with all three clubs, every Thursday evening, at CUSU's office located on the 2nd floor, 2010 Mackay Ave., downtown Montreal. The CUSU executive is: President Vivian Zabuga; V.P. Finance Stefany Stadnyk; Secretaries Marta Cybulsky and Alyssa Patterson from MUSA; V.P. External Andreana Czurma; Media Director Adriana Luhovy; and V.P.

McGill Relations Tanya Bednarczyk. CUSU kicked off its fall events with "Many Tastes of Concordia" in September. All Concordia clubs prepared and shared their traditional foods, as a way to get to know each other, including organizing cultural displays. Among other projects CUSU/ MUSA organize are weekly Ukrainian language classes, for beginners and those more advanced. In November, the annual pre-Trembita Pub Night fundraiser was held at LAction Supper Club. This was followed by a week-long Famine-Genocide Display, marking the 76th anniversary of the Holodomor, November 16 to 20th, in the Concordia library foyer. Every day students rotated at the information table, handing out materials and answering questions. The documentary Harvest of Despair was screened in the Hall Auditorium followed by a discus-

sion and information on the new documentary *Genocide Revealed*. On November 18, a Cultural Fair, with displays from all Concordia clubs, was held on the 7th floor of the main Hall Building. Students from CUSU/MUSA clubs traveled by bus as part of a delegation to Quebec City witnessing a Bill unanimously passed in Quebec City stating the famine was genocide, on November 25. For Ukrainian Christmas, *Kolyada* was organized by CUSU/MUSA followed by a very successful Pre-Malanka Pub Night on January 22, featuring the band "Ukraina" from Ottawa, as a fund-raiser for the club's ongoing activities. Montreal delegates to SUSK Congress in Edmonton from CUSU are Vivian Zabuga and Adriana Luhovy and from MUSA Artem Luhovy, Alyssa Patterson and Marta Cybulsky. A major upcoming event will be held, *Hip Hop Hopak*, a fundraiser for *Help Us Help The Children*, March 27, open to the public. This will be a competition - Ukrainian dancers vs. Break Dancers - at its best. CUSU will also be showing *The English Surgeon*, *The Soviet Story* and *Freedom Had A Price*. On March 19 to 21, CUSU/MUSA will be attending the *SUSTA* Conference in Boston. The Concordia club's membership is 450 and the McGill club's 250 members. MUSA club president is Stephan Mota.

University of Ottawa Ukrainian Students' Club

Finally, I can proudly say that we are here! The University of Ottawa Ukrainian Students' Club is the newest addition to the Ukrainian Canadian Students' Union, and has recently been officially renewed after several years of dormancy. What took us so long? I wish I knew.

Having only recently met my Vice-President, Anda Hirceaga, in the midst of the fall semester 2009, an immediate connection sparked between us. Little did we know this was to be the igniting catalyst of something beautiful. U of O's Ukrainian Students' Club was unofficially founded in November of 2009 by myself, Adriana Sirskyj, and Anda Hirceaga, and it wasn't long until we found ourselves a unique group of individuals, and pieced together an outstanding executive committee. The executive committee was chosen as follows: Adriana Sirskyj, President; Anda Hirceaga, Vice President; Tamara Caris, VP Finances; Laryssa Caris, Secretary; Anna Onuferko, Social Representative; Marta Tkaczyszyn, VP Internal; and Taras Blizniouk, Sports Representative.

The club was officially recognized by the University of Ottawa in January 2010. U of O's USC is comprised of a diverse group of Ukrainian and non-Ukrainian students from across Ottawa. The USC's executive council held its first, but certainly not last Ukrainian event, a Zabava club launch party in December 2009, in hopes of recruiting potential members and spreading the word about the newly established club. The event was a great success! We received phenomenal feedback from both neighboring Ukrainian institutions and students from the University of Ottawa, Carleton, and Algonquin College. The road to success is slowly beginning to pave itself in front of our very own eyes.

As a catalyst for promoting social networking between students and the Ukrainian culture, U of O's USC is extremely enthusiastic and anticipates great accomplishments for both the near and distant future. Having such a large and diverse group of Ukrainian students within the nation's capital, we are hoping to form our own unique community. Not only this but we also anticipate promoting awareness of Ukrainian

culture, historical, and political issues for those who are looking to be informed and to create cognizance or mindfulness of all the richness we have as a people.

Lastly, I would like to thank my extremely hard working and enthusiastic executive committee. Without your whole-heartedness and on-going support, the establishment of this club would not have been possible. I am both ecstatic and exceptionally proud of our accomplishments! Our potential is truly endless.

We can be contacted by email at uofoukrainians@gmail.com or online through our Facebook page: University of Ottawa Ukrainian Students' Club! As the newest addition to the Ukrainian Canadian Students' Union, we feel warmly welcomed and are deeply honoured to be part of this emerging family.

This truly is the start of something beautiful.

Ryerson Ukrainian Students' Club

We're all proud to say that Ryerson University finally has a Ukrainian club. It took a while to convince the administration that it made sense to split the Russian-Ukrainian club, which existed before, into two separate clubs, but its all been very worthwhile. So far our club has participated in Ryerson's Multicultural Week, giving students on campus a taste of delicious Ukrainian pyrohy and showing off our vyshvany sorotchky. In November, we participated in Genocide Awareness Week on campus, with a booth on the Holodomor and it was shocking that not one person that stopped by our booth had any idea what the Holodomor was, let alone that it happened. As a new club, it's been a little tough getting everything together, and for a lot of our events so far, we have to acknowledge and thank other Ukrainian clubs around us for their

generosity and support. Without McMaster's help there wouldn't be much of a booth for the Holodomor exhibit and without University of Toronto there wouldn't be much of display for Ryerson's Campus Caravan which took place in January. Campus Caravan was a day when all the clubs on campus set up booths in the cafeteria to let others know what each does. We also had a charity pub night in Mississauga and some future events include a bowling night, a games and movie night, and a year-end event. We're excited for this year and for many years to come. For more info check out our Facebook page or email us at usc@ryerson.ca

What should I write about to Student newsmag?

By Andrew Wodoslawsky, Toronto

For the last couple of years, we have accepted a very wide range of topics for submissions to Student; everything from politics, travel, lessons learned in the use of specific technologies, articles about art, event reflections, event postings, and so on. The problem here was that of choice. Every time I sent out the call for submissions in my region, I would be asked "what do I write about?". To help everyone focus their thoughts, we are thinking of experimenting with themed issues in the coming year. Some themes to look forward to are:

1. Student led environmental initiatives in the Diaspora and Ukraine, including the amazing efforts being put together in Zhydachiv.
2. Travel in Europe, including places to stay, and things to see that are relevant to Ukrainian students
3. Working in Ukraine, including some tips or first steps on starting your own business that includes Ukraine.
4. Transitioning into first year of university, and transitioning to the workplace, including how to find your niche in the student vs. professional community.

Feel free to propose a theme, and submit an article. Our preferred length is about 250 words, and we love to see captioned pictures. Submit your stuff to Marta Iwanek (miwanek@ryerson.ca) So now that you know what to submit, what are you waiting for?

How to Pair Baba's Cooking & Wine

By Krystina Roman of Rosewood Estates Winery

Oh we all love Baba's cooking, the fat, the grease, the onions, the chasnyk. Yum! With an emphasis on starch, salt, and sour flavours, not to mention the cream and fat pairing wines with Ukrainian food can be some feat. Although difficult here are some pointers and recommendations:

- White wine should always be sweeter than your food.
- Match the wine to the food texture and flavours - light food with light wines for example a Riesling and a salad, and a juicy steak with a dark heavy wine Cabernet Sauvignon. Generally, acidic wines with acidic foods, sweet with sweet, heavy foods with heavy wines.
- Lighter red wines will match better with Ukrainian food - try Gamay, Pinot Noir, Beaujolais, Cabernet Franc
- Knowing wines is like knowing how to match shoes and accessories with outfits. Understand some basics and experiment.

Here are some food pairing tips for Baba's cooking:

Seafood - always go to Sauvignon Blanc and Semillon. These two varietals are typically blended or are available separately. These two wines also go well with anything lightly battered or fried

Potato/Cheese Pyrohy - a nice oaked or unoaked chardonnay pairs well. FYI Chardonnays from France are named after their region and not Chardonnay. Examples include Chablis,

Meurseult, Pouilly Fuisse and Macon. Niagara makes great unoaked.

Kapysta Varenyky and Holobtsi - Riesling or Sauvignon Blanc due to high acid. If you are a fan of red wine try a light red wine like Gamay or Pinot Noir.

Borscht - for white wine, try Semillon, and look for something with citrus notes like Riesling.

Meat on a Stick - due to the fat and grease try a light red wine like Pinot Noir or Gamay.

All in all look for wines with some sweetness to counter the fat, and look for acidic wines to pair with the sour notes of kapysta. Best bets for white wine are Riesling, Unoaked Chardonnay, Sauvignon Blanc, Semillon (blended with Sauvignon Blanc or on its own), and red wines Gamay and Pinot Noir.

Wear your tryzub with pride! Fundraising Initiative

Two newly designed tryzub pendants are available for purchase. Each pendant is made of .925 Sterling Silver and features a raised tryzub with a decorative border on an antiqued background. A portion of all purchases will go to fund a Ukrainian Students club near you!
